## ASSIGNMENT

I, Eli HAZUM, residing at 17 Pinsky Street, 76308 Rehovot (IL) a citizen of Israel, for good and valuable consideration, receipt of which is hereby acknowledged, have assigned, sold and transferred to and do hereby assign, sell and transfer to Agricultural Research Organization Ministry of Agriculture, Ltd., a corporation organized and existing under the laws of Israel and having an office and a place of business at The Volcani Center, P.O. Box 6, 50250 Bet Dagan, ISRAEL, and Hadasit Medical Research Services and Development Company, Ltd., a corporation organized and existing under the laws of Israel and having an office and a place of business at Kiryat Hadassah, 91120 Jerusalem, ISRAEL, its successors and assigns:

1) the entire right, title and interest in the United States and in all countries throughout the world in and to any and all my/our inventions and discoveries disclosed in U.S. Patent Application Ser. No. 09/762,715, filed February 12, 2001 and entitled: "Inhibition Of Pathogenic Processes Related To Tissue Trauma" {Atty. Docket No. CGD-004.0P US}, including any renewals, revivals, reissues, reexaminations, extensions, continuations and divisions thereof, and any substitute applications therefor;

2) the full and complete right to file patent applications in the name of Agricultural Research Organization Ministry of Agriculture, Ltd. and Hadasit Medical Research Services and Development Company, Ltd., its designee, or in our names at the election of Agricultural Research Organization Ministry of Agriculture, Ltd. and Hadasit Medical Research Services and Development Company, Ltd. or its designee, on the aforesaid inventions, discoveries and applications in all countries of the world;

3) the entire right, title and interest in and to any Letters Patent which may issue thereon in the United States or in any other country of the world and any renewals, revivals, reissues, reexaminations and extensions of the same; and

4) the entire right, title and interest in all Convention and Treaty Rights of all kinds thereon, including without limitation all rights of priority in any country of the world, in and to the above inventions, discoveries and applications.

I hereby authorize and request the competent authorities to grant and to issue any and all such Letters Patent in the United States and throughout the world to Agricultural Research Organization Ministry of Agriculture, Ltd. and Hadasit Medical Research Services and Development Company, Ltd. as the assignee of the entire right, title and interest therein, as fully and entirely as the same would have been held and enjoyed by us had this assignment, sale and transfer not been made.

I agree, at any time, upon the request of Agricultural Research Organization Ministry of Agriculture, Ltd. and Hadasit Medical Research Services and Development Company, Ltd., to execute and to deliver to Agricultural Research Organization Ministry of Agriculture, Ltd. and Hadasit Medical Research Services and Development Company, Ltd., any additional applications for patents for said inventions and discoveries, or any part or parts thereof, and any applications for patents of confirmation, registration and importation based on any Letters Patent issuing on said inventions, discoveries or applications, and divisions, continuations, renewals, revivals, reissues, reexaminations and extensions thereof.

We further agree at any time to execute and to deliver upon request of Agricultural Research Organization Ministry of Agriculture, Ltd. and Hadasit Medical Research Services and Development Company, Ltd. such additional documents, if any, as are necessary or desirable to secure patent protection on said inventions, discoveries and applications throughout all countries of the world, and otherwise to do the necessary to give full effect to and to perfect the rights of Agricultural Research Organization Ministry of Agriculture, Ltd. and Hadasit Medical Research

Services and Development Company, Ltd. under this Assignment, including execution, delivery and procurement of any and all further documents evidencing this assignment, transfer and sale as may be necessary or desirable.

## ASSIGNMENT

I, Mark PINES, residing at Pinkster Street 12 B, 76308 Rehovot (IL), a citizen of Israel, for good and valuable consideration, receipt of which is hereby acknowledged, have assigned, sold and transferred to and do hereby assign, sell and transfer to Agricultural Research Organization Ministry of Agriculture, a corporation organized and existing under the laws of Israel and having an office and a place of business at The Volcani Center, P.O. Box 6, 50250 Bet Dagan, ISRAEL, its successors and assigns:

1) the entire right, title and interest in the United States and in all countries throughout the world in and to any and all my/our inventions and discoveries disclosed in U.S. Patent Application Ser. No. 09/762,715, filed February 12, 2001 and entitled: "Inhibition Of Pathogenic Processes Related To Tissue Trauma" {Atty. Docket No. CGD-004.0P US}, including any renewals, revivals, reissues, reexaminations, extensions, continuations and divisions thereof, and any substitute applications therefor;

2) the full and complete right to file patent applications in the name of Agricultural Research Organization Ministry of Agriculture, its designee, or in our names at the election of Agricultural Research Organization Ministry of Agriculture or its designee, on the aforesaid inventions, discoveries and applications in all countries of the world;

3) the entire right, title and interest in and to any Letters Patent which may issue thereon in the United States or in any other country of the world and any renewals, revivals, reissues, reexaminations and extensions of the same; and

4) the entire right, title and interest in all Convention and Treaty Rights of all kinds thereon, including without limitation all rights of priority in any country of the world, in and to the above inventions, discoveries and applications.

I hereby authorize and request the competent authorities to grant and to issue any and all such Letters Patent in the United States and throughout the world to Agricultural Research Organization Ministry of Agriculture as the assignee of the entire right, title and interest therein, as fully and entirely as the same would have been held and enjoyed by me had this assignment, sale and transfer not been made.

I agree, at any time, upon the request of Agricultural Research Organization Ministry of Agriculture, to execute and to deliver to Agricultural Research Organization Ministry of Agriculture any additional applications for patents for said inventions and discoveries, or any part or parts thereof, and any applications for patents of confirmation, registration and importation based on any Letters Patent issuing on said inventions, discoveries or applications, and divisions, continuations, renewals, revivals, reissues, reexaminations and extensions thereof.

I further agree at any time to execute and to deliver upon request of Agricultural Research Organization Ministry of Agriculture such additional documents, if any, as are necessary or desirable to secure patent protection on said inventions, discoveries and applications throughout all countries of the world, and otherwise to do the necessary to give full effect to and to perfect the rights of Agricultural Research Organization Ministry of Agriculture under this Assignment, including the execution, delivery and procurement of any and all further documents evidencing this assignment, transfer and sale as may be necessary or desirable.
